

LAWRENCEBURG LEVEE HISTORIC RIVERWALK

Client: City of Lawrenceburg
 Location: Lawrenceburg, Indiana
 Size: 15 acres

This master plan for the Lawrenceburg River's Edge and Levee Walk was prepared to reconnect this historic town with the Ohio River.

Work included trail development, plans for trails and access ramps, historical interpretive displays, pedestrian bridges, and a gateway to town. Designed in collaboration with AM Kinney, Gray & Pape, Dan Hurley and Kolar Design.
